

Banner Witcoff Attorney Hengyi Jiang Published in Westlaw Today and Reuters Legal

Banner Witcoff's Hengyi Jiang is published in both Westlaw Today and Reuters Legal, offering timely analysis on evolving issues affecting patent challenges before the USPTO.

In these publications, Hengyi examines developments related to PTAB practice and discretionary denial, providing practical insight into how emerging policy shifts may impact patent owners and petitioners—particularly in cross-border and overseas contexts. His analysis helps readers understand the strategic and procedural implications of these changes within the U.S. patent system.
