

Making Teams More Productive Through Neurodiversity

On Wednesday, January 28, Banner Witcoff's Mercedes Meyer will present "Making Teams More Productive Through Neurodiversity" during the American Corporate Counsel (ACC) Race to the Finish 2026 Virtual CLE event.

Mercedes and her co-presenters will explore how to recognize different forms of neurodiversity and how to ally to create an inclusive environment beneficial for everyone. The panel will provide easy and practical strategies that legal teams can adopt to accommodate neurodiverse individuals and allow them to thrive.
