

Robert Katz Quoted by Bloomberg Law on Filing Complaints With the ITC

Robert Katz was recently quoted in Bloomberg Law's article, *Lashify Wages Global Fight to Protect IP for Celebrity Lashes*, on protecting innovations by filing complaints with the U.S. International Trade Commission (ITC).

In the article, Robert states, "Complaints before the ITC allows companies to pursue multiple alleged infringers at the same time without working to consolidate multiple cases in federal court." He also says, "If you are able to get a successful outcome you can stop the importation in one fell swoop."
