

# Counterfeit Goods Seizure

We have hands-on experience navigating the complex processes involved in seizing and destroying counterfeit goods for our clients in the manufacturing and distributing industries.

We've participated in all phases of seizure operations, from directing private investigators to coordinating with the U.S. Marshals Service and local police departments to plan, participate in, and supervise raids. We've successfully obtained *ex parte* orders from federal courts to authorize the seizure and destruction of a variety of counterfeit merchandise.
